TLV BOARD

PRESIDENT'S MESSAGE

May was a busy month for the Board, with two workshops and a Board meeting.

In addition to the general workshop held each month for member input on decisions facing the board, a special workshop was held to discuss establishing board policy regulating member delegation of use of the common area.

Section 3.3 of the CCR's states, "Any member entitled to the right and easement of use and enjoyment of the Common Area may delegate such right to his or her tenants or subtenants who are occupying his or her Lot or Unit, subject to reasonable regulation by the Board. An owner who has made such a delegation of rights shall not be entitled to the use and enjoyment of any part of the Common Area for so long as such delegation remains in effect."

The definitions in Article 1 of the CCR's states that the Common Area is defined as "those areas designated as such on the Plat (as amended from time to time) or otherwise owned in fee title or by easement by the Association, and which are maintained for the use, benefit and

enjoyment of all Residential Lot and Unit Owners within the Project. The common area shall include, without limitation, all parcels designated as such on the Plat or the Master Plan, the Project Roads, and the Golf Course (if acquired by the Association)."

It was determined by the Board that delegation of these rights could be made by members for a period of time, not less than three months, and that the owner will pay an administrative fee of \$200 at the time of delegation. The complete policy can be found beginning on page 15 of the Board Policies and Procedures. The Board felt that implementing this policy would provide some real benefits to those members who lease or rent their properties without negative impact on other property owners. Please contact the office if you are interested in taking advantage of this opportunity to increase the value of your long term rental unit.

(REPORT CONTINUED
ON NEXT PAGE)

The Board continues to work, with input from the Blue Committee, to develop policy for the lease of boat slips on our new docks. At our May Board Meeting it was determined that boat length be restricted to 20 feet in the future although current slip holders with boats in excess of 20 feet may continue their leases.

The Board also established an ad hoc committee to review the CCR's and identify inconsistencies and conflicts in the current document. The committee would then bring this information to the Board for possible action. Board Member Carole' Jenness will be leading this committee and the Board encourages interested members to submit applications for membership.

For other action taken by the Board this month please see the minutes of the Board meeting as they become available.

Finally, looking around the village as spring unfolds I see much to be thankful for. Our golf course is in great shape and all the common areas look wonderful – thank you to the Landscape Committee for their hard work planting all the new plants and to the Green Committee and grounds crew for the course improvements, including the redesign of the practice green to provide safer access. The docks are complete and members are moving their boats in. So many members and staff had a part in the hard work that went into this project, that any attempt to list them all would surely result in someone being missed.

Thanks to all. The lot across the street from the Clubhouse is now an enhancement to the village, rather than an eyesore. Thank you to the grounds crew for their work and to Beverly and Joe Huddleston, not only for bringing

the idea to the Board, but also for their contributions to the project.

Char Burrill
Board President

GENERAL MANAGER'S MESSAGE

We recently added a new way that you can pay dues using a credit card or debit card. The service is called PayLease and you can access by visiting our WEB site at www.golftwinlakes.com and selecting the "Member Dues Payments" tab.

This service does charge the person paying a fee for using the service. That charge is added to the amount of the payment when you submit your payment. While TLV was prohibited from assessing a convenience fee, companies like PayLease are allowed to do so as third party processor of payments.

Another option for paying without having additional fees assessed, is to visit your personal bank's online bill payment service. Most banks allow payment of bills either on a one-time or reoccurring schedule without any charge.

If you don't use online banking, most banks will also set up reoccurring payment of dues at your local branch. Again, this is a service banks provide without charge.

General Manager

THREE (3) CANDIDATES FOR THREE (3) POSITIONS ON THE BOARD OF DIRECTORS

Sara Thweatt

Subject: TLV Board Position

What makes me relevant to the needs of our community today and its future?

In my 20+ year Real Estate career, I have been involved with every aspect of a community: concept, design, building, marketing, selling, and creating governing documents and governing bodies. I've sat on numerous boards and committees at local, state, and national levels. I have seen the good, the bad, the ugly, what works and what doesn't work. I've golfed in TLV over a decade and have first-person knowledge of the TLV memberships: Beginning as a summer visitor buying punch cards, graduating to a season pass, to investing in a Rock Point Condo gaining Owner/Member privileges and finally, loving it so much here, making TLV home in 2012. And, I have acquired experience with homeownership in two other golfing communities and as a former private country club member.

We are a 30+ year old community that has reached and sometimes surpassed the length of service of major assets. We are experiencing the evolution of our membership; saying goodbye to old friends and making new ones. The world around us is changing; we cannot allow our community to turn into a cocoon...We need to thrive, not survive! Fortunately, the housing market is in an upswing, but to make TLV a destination we must keep dues in perspective and show value. We must preserve, protect, improve and evolve all while being fiscally responsible; no easy task.

In my year on the Board, I have shown my commitment, my integrity by not relying on hearsay, but doing my homework to make educated decisions, and I have shared my extensive business knowledge in finalizing the budget and comprehension of our financial reports.

Please allow me to continue representing you in the governing of our community.

Dale Hendrickson

Subject: TLV Board Position

I respectfully submit my application for consideration for one of the three open positions on the Twin Lakes Board of Directors.

My wife, Sue, and I moved into Twin Lakes Village in September 2014. We are full time residents. Prior to moving here we lived in Spokane for eight years, after residing more than 30 years in Yakima. I am currently a member of the Clubhouse/Recreation Committee.

My work career has been focused primarily in the business field. I have more than 18 years' experience as the Vice President of Operations in a fruit processing cooperative. I was responsible for 1,300 employees and a \$30+ million operating budget. I have owned my own business where I contracted security services for school districts in Oregon, Washington and Idaho.

In addition, I have been an independent contractor with the State of Washington as a certified instructor in the Washington Motorcycle Safety Program. I have trained and supervised school bus drivers in Washington State. I served as a commissioned Reserve Police Officer in the City of Yakima.

For 13 years I was a member of the Board of Directors for a Yakima area credit union. For 9 of those years I held the Board Chair position. During my time on the Board I directed the research to justify the building of three new Credit Union Branches, developed and implemented a senior management succession plan and headed a search committee to replace the retiring Credit Union President.

Sue and I love the Village and the people we have met here.

If elected, it would be my great honor to serve with the Board of Directors in contributing to the continued success of Twin Lakes Village.

Sincerely,

Dale Hendrickson

Carole` Jenness

Subject: TLV Board Position

Carolé Lorraine Jenness is a native of Idaho and attended college at the University of Idaho, majoring in Office Administration. She was employed on that campus as an administrative secretary for 26 years. She was also Co-Director of the Palmyra New York Education Center for two years (2005-2006), and has been serving as Career Development Center Director at Southern Virginia University for the last three years.

As an Office Administrator she paid employees, provided accurate accounting for all business activities, maintained all necessary financial internal controls, and monitored the budget.

She has served as a Board Director for the last year and a half, during which time she collected, reviewed, updated and compiled all the Policies and Procedures of the Village into one up-to-date document. She was instrumental in writing job descriptions for all of the employees and creating a standard form to be used for annual performance evaluation reviews. She also served as liaison to the Activities Committee and the Club House Committee. Previously she served as secretary on the Club House Committee, and Vice-President and President of the Ladies Nine-Hole League for several years. She is currently serving as our Board Secretary.

She is a self-motivated, energetic person, with an internal drive who strives for excellence in all she undertakes. She has the ability to manage multiple projects and work assignments. Carolé is detail oriented with excellent organizational skills. She has a listening ear and communicates well with people, wanting to hear all sides of every situation. She is a team player and knows how to negotiate.

She and her husband, Tom, have been residents of Twin Lakes Village since 2004.

ITEM 2 ON THE BALLOT

Bylaws--Article 2.4--Ballot Vote

Explanation: It has been suggested that we change our annual meeting from June to August. Applications to become a candidate for Board Director are due 60 days before the annual meeting. If a Nominating Committee is appointed, that committee is appointed 90 days before the annual meeting. Many residents are gone for the winter months and return after these deadlines have past. It has been proposed that a later Annual Meeting would better fit our needs.

Currently Reads:

2.4 Annual Meetings. Regular annual meetings of the Members of the Association shall be held on such date in June of each year as may be designated in the notice scheduling such meeting. If the Board shall fail to call a required annual meeting, any Member may require the meeting to be held, as provided by law.

Replace with the following:

2.4 Annual Meetings. Regular annual meetings of the Members of the Association shall be held on such date in August of each year as may be designated in the notice scheduling such meeting. If the Board shall fail to call a required annual meeting, any Member may require the meeting to be held, as provided by law.

Men's League Rosters Held at 5 Players for 2015

Teams in the TLV Men's League will be held to a five-man roster for the coming season.

The action was taken by the Men's Club membership at its September meeting. Many expressed the view that by limiting the play to a four-man format, with only one substitute on the roster there was an opportunity to expand the number of teams.

With just three or four more teams for 2015, the Men's Club would be able to break into two divisions, with each assigned to the front or back-nine for the league play.

In other action the members voted to drop the minimum age for players to 18 years old. Again, the action was approved after several members said they could get more players and teams, if younger golfers were eligible.

MEN'S CLUB DUES/GHIN FEES FOR 2015

2015 Men's Club dues are now payable, and can be sent to the Pro Shop at Twin Lakes.

For \$136, members receive their GHIN, Club Dues and Tournament Fees. For members who hold a GHIN through another club, there is \$31 cost reduction.

Checks are payable to: TLV Men's Club.

Full Tournament Schedule Spring/Summer/Fall

Again this summer the Club hopes to organized special outings, such as the popular trip to Galena Ridge. Once again the club will see if other Men's Club are interested in a home-to-home event.

For \$80 members are eligible to play in all \$25 events.

For those who choose not to pay the \$80 before May 17, there will be a \$25 fee to enter individual tournaments.

New this summer will be the President's Ryder Cup and Dinner, Sept. 12. Limited to 30 players, two captains will draft a team of 15, and a Ryder Cup format will be used -- to be announced later. Signup deadline for the Ryder is Sept. 6.

The complete tournament schedule is posted on the website, and can be found in TLV newsletters, beginning in February.

Hole-In-One Pot

Don't forget to enter the Hole-in-One pot. Cost is \$5, and can be paid at the Pro Shop.

Help Our Men's Club Attract New Members

Frank Blum and Richard Beech volunteered to look into ways we can utilize to bring new members into our organization. There are many male golfers in the Village (and in this area) who are potential members. Some of our members play only in the Men's League, and we would like to see them participate in our monthly tournaments.

If you have any thoughts on how we can reach and get them to join, or know of individual golfers that can be contacted give Frank or Richard a call. Or better yet, if you know of a golfer who you would like to see in the Men's Club, give them a call yourself and invite them to join.

JOIN 'NEXTDOOR TWIN LAKES VILLAGE'

Nextdoor is the free and private social network for neighborhoods. On *Nextdoor*, neighbors create private websites for their neighborhoods where they can ask questions, get to know one another, and exchange local advice and recommendations. Many of your TLV neighbors have already joined & are sharing notes.

Thousands of neighborhoods across the country are already using *Nextdoor* to:

- ◆ Find trustworthy local resources, such as babysitters, plumbers, and dentists
- ◆ Organize neighborhood events, such as garage sales and block parties
- ◆ Get assistance in finding lost pets
- ◆ Sell or give away items, like an old kitchen table or bike
- ◆ Offer rides to the airport, cinema, public garden, etc
- ◆ Report suspicious activity and local crime
- ◆ Share tips about good restaurants, a fun cruise, and more

Nextdoor's mission is to use the power of technology to build stronger and safer neighborhoods. The inspiration behind *Nextdoor* was to give people a social network to connect them to one of the most important communities in their lives - the neighborhood. *Nextdoor* believes that when neighbors start talking, good things happen.

Nextdoor Twin Lakes Village was established to build community, make friends and share. It is not intended as a venue for political views nor as a complaint forum. Let's use it as a respectful, fun communications avenue.

Nextdoor is headquartered in San Francisco and was founded by a group of entrepreneurs who have a passion for creating meaningful online communities.

To join *Nextdoor Twin Lakes Village* - reply to your neighbor's invitation or go to [Nextdoor.com](https://nextdoor.com) & enter your address. Then follow the guidelines for joining. The request for verification that you are who you are & are a resident here at TLV may not work for those of you who have already departed for your winter home. In that case, you can verify by emailing a copy of a utility bill that shows your TLV address. A Note from your Architectural Control Committee

Summer is coming and most of our Snowbirds are back here at beautiful Twin Lakes Village. It is a time when many of us begin thinking about sprucing up our homes and yards. Please remember that you need to obtain approval from Architectural Control if you are changing the color of your home or making major changes to your landscaping. Forms are available in the TLV office and need to be submitted by you for approval before beginning your project. Our committee strives to process these requests very quickly but please give us a week to 10 days if possible.

Once each year, the Committee does a drive-around through the Village to make sure that we are all in compliance with our CCRs regarding maintenance of our homes, condos and yards. We plan to do this drive-around by the middle of June. When we observe unkempt yards, real estate signs out of compliance or other areas of concern regarding the CCRs, that list is given to Kevin who sends a letter to the owner asking for action to correct the problem. Often the subject of the letter has already been addressed by the property owner when it is received and we appreciate that. Please take the receipt of a letter as a reminder that action needs to be taken if it has not been done already and not as a personal criticism.

Twin Lakes Village is a beautiful place to live and it is evident that most owners take a great deal of pride in this community in which we live.

Mary Sue Degerman, Chairman
TLV Architectural Control Committee

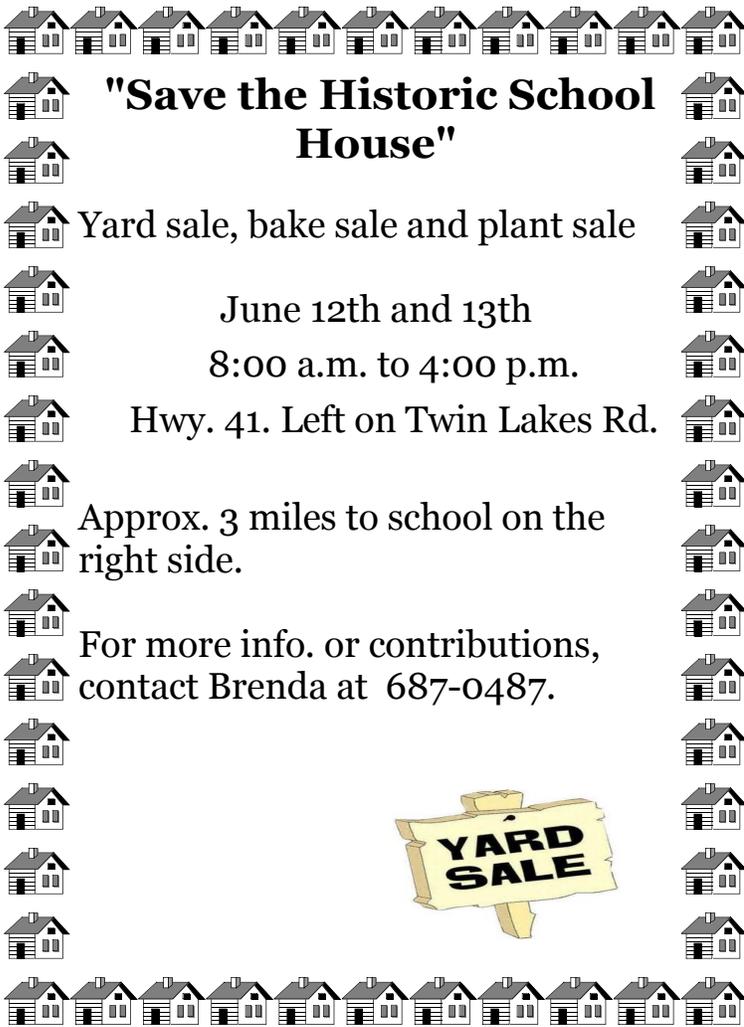

Greetings from your TLV BLUE COMMITTEE!

We hope you have seen the newest amenity addition to TLV, the new docks! They guarantee low maintenance and a future revenue stream among other daily enjoyment options. We hope that you enjoy using the waterfront this season and only want to remind you that there are guidelines that help us all enjoy that small premium space. Here are some notes in addition to the signage that exists there which we recommend you reread. You should have an ID and you should be accompanying any guests to the waterfront. There will be security on site so this is not just a suggestion but a necessity. Please help make this transition as easy as possible. If you wish to use the deck for a specific function then please sign up in the office for your 3 hour time period and enjoy your party! There is no fishing on the boat docks. Mark your calendars for the **WATERFRONT ICE CREAM SOCIAL and DOCK GRAND OPENING on July 19th**. Time TBA. Pay attention to designated parking areas. Enjoy the waterfront and enjoy a wonderful season!

Thank You

We wish to thank the grounds crew for all their hard work getting things ready for the annuals to be planted this Spring and for helping us get the Village "beautiful" for the Summer season. They also did a fantastic job on the old parking lot area.

Thank you crew.

TENNIS NEWS

Come and find out about the tennis club. Our first meeting is Monday, June 8th, at 7:00 pm. We will meet at 5233 W. Village Blvd. (cookies will be served) Call Charlotte, 208 687 1696 or Mike 208 687 3059 for information.

Scheduled play is Monday and Friday for women at 10:00 am and Tuesday and Thursday for men at 10:00 am. Mixed Doubles is 10:00 am on Saturday. As it gets warmer we will start at an earlier time.

In the history of tennis, Vic Braden passed away last year. He was a tennis coach who pioneered using film and computer analysis to study tennis players' movements. He was quoted as saying, "If you can walk to the drinking fountain without falling over, you can learn tennis."

Come join the tennis fun, see you at the meeting!

Scholarship Update

This is the favorite time of the year for the Scholarship Committee!

Applications for the Twin Lakes Village Scholarship were given out to graduating seniors at the three Lakeland School District high schools and seven students from Timberlake High School and two from Lakeland High School returned them for consideration. From those students, four were chosen to interview and once again, they “knocked our socks off.” Choosing three recipients and one alternate was an excruciating process but the following students were chosen and should represent themselves and Twin Lakes Village very well:

- ◆ Marissa Draughon
- ◆ Steven Trantham
- ◆ Austin Malloy
- ◆ Vance Kistler (Selected as an Alternate Recipient)

Now, letters will be written to the students who were not chosen, thanking them for applying and wishing them success in their future plans as well as preparing letters and certificates to present to the recipients at their Awards Ceremony—all from Timberlake High School this year. Alisa Mendenhall and Bob Thomas will present these awards on May 28, 2015.

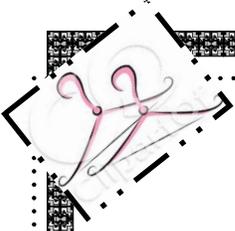

The Activities Committee recommended to raise the amount of our scholarship this year, so letters will be sent to the students’ colleges, including a check for \$1,500 from the Lakeland Education Foundation’s Twin Lakes Village Scholarship Fund making the money available for college expenses incurred during the 2015-2016 fall term.

Finally, DiDi Genduso will present the recipients (or a member of their family) to the membership at the TLV Annual Meeting on June 20, 2015. We believe the members will be as impressed with these students as we are.

In conclusion, the Scholarship Committee wishes to thank everyone who lives in Twin Lakes Village who chose to be part of this process by donating to our scholarship fund. Without our consistent benefactors, there wouldn’t be funds to support our young people in the surrounding communities. People who gave a year-end donation, memorial contributions, mini-post purchases and supported the Activity Committee’s fund raising are priceless. You keep this program running. What a marvelous way that Twin Lakes Village can give back to our community!

rebuild our funds so that the committees, Activities/
Scholarship can continue doing the wonderful activities
that they plan for our
community.

THANK YOU FOR YOUR SUPPORT!!

Ladies Bible Study

The TLV Ladies Bible Study will be meeting in June at Pat Kobylensky's at 9:45 am Monday mornings.

We will be studying the book "Experiencing God" beginning June 15th. For more information, please call Pat at 687-4537 or Joanna Rohrmann at 651-2352.

Ladies Activities Committee

We would love to have you join Ladies Coffee and Activities Meetings Wednesday mornings 10:00 am in the Loft. It's a time to meet your neighbors and make new friends, visit and catch up with old friends. You also will find out what is happening in the Village and help plan upcoming events.

We meet each Wednesday in June at 10:00 am in the Loft:

June 3— 10 am—Loft—Sue Hendrickson

June 10—10 am—Loft—Lonna Dawson

June 17—10 am—Loft—No Hostess

June 24—No Activities Meeting (see below)

June 25—The Turn @ 4:30pm—No Hostess

If you have questions please contact:

Abby Magnuson—687-6757 or
Lilas Broemmeling—687-2174

Everyone is welcome and encouraged to come.
