Dear Friend of Lakeland School District,

This year marks a very special milestone for the Lakeland Education Foundation as we celebrate the **10th Annual Teeing Up FORE Kids Golf Tournament**. Over the past decade, this event has grown into a powerful tradition of community support—bringing together local businesses, families, and friends to invest in the future of our students and educators. We are incredibly proud of what has been accomplished in these ten years and deeply grateful to those who have helped make this impact possible.

Last year was another record-breaking year for the Lakeland Education Foundation and the Teeing Up FORE Kids Golf Tournament. We welcomed more golfers than ever before and raised funds that allowed us to provide additional student scholarships and award more teacher grants than in years past.

All funds raised by the Lakeland Education Foundation directly support our local community by providing scholarships for college and career training to students in the Lakeland School District. These contributions also empower teachers by funding innovative materials and classroom projects that enhance student learning and engagement.

We hope you will consider making your mark on our Lakeland community by taking advantage of one of our sponsorship opportunities or by forming a team to participate in the **10th Annual Teeing Up FORE Kids Golf Tournament**.

For your convenience, sponsorship information and a team registration form are included. We look forward to speaking with you soon about how you can make a lasting impact on our students and teachers.

Thank you for your continued support and consideration. We hope to see you at our tournament in July.

Sincerely,

A handwritten signature in black ink that reads "Jillian Bruna".
