Message from Your President

Ladies, as we step into a new season of golf together, I can't help but feel the warmth of this group reflected in the friendship and joy we share on the course. Just like the game, we love each moment we spend together. Moments that are filled with laughter, encouragement and the quiet beauty of being in each other's company.

This season is not just about perfect swings or low scores — it's about celebrating the bonds we all built, the challenges we'll conquer side by side, and the memories we'll create under the wide-open sky. May our days on the green be as bright as the smiles we bring, and may every round remind us of the love and camaraderie that make this group so special.

TLV Women's 18-Hole Golf Club

2026 Tournaments

9/18 hole Women's Clubs Remembrance Day: July 24th

The 9-hole league will be hosting this tournament this year. Participants from the 18-hole & 9-Hole Women's Clubs will host an annual Remembrance team competition. The Remembrance Celebration, honoring club Members no longer with us, will follow golf. Teams are created with the assistance of the TLV Pro Shop depending on the number of participants. Flights and winners will be determined by the number of participants.

Match Play / Solheim Cup 2025: August 1st thru 3rd

This 3 day team match play format will consist of two equally divided teams. The Friday evening event will review the formats and include an optional singles 9-hole game. The remaining two days will be best ball, scramble and alternate shot. The results will be announced after play at Sunday's no host event.

Club Championship: September 16th & 17th

Two days of stroke play determine the Club Champion (low gross overall) and Low Net of the field with gross and net winners also in each flight. Our only tournament with no fees but this tournament does require a minimum number of days of club competition.
