

**TLV Women's 18-Hole Golf Club
2026 Guidelines for Club Championship**

**All League General Event Principles and Guidelines will apply.
All participants must compete on both days**

Important Notes:

- On each morning before the tournament, participants may not practice on the golf course before the competition starts otherwise this will result in a disqualification (DQ). You may play after the tournament is finished.
- Please, no pets in the golf carts during the Club Championship since this may be a distraction for the other players. This ruling is in response to concerns from more than one club member. Although pets were allowed during other tournaments, we just want to help avoid any issues or disturbances that may occur during club championship play.
- We ask that music be kept at a low volume, so it does not disturb the other participants.

Tournament Committee:

- TLV Pro Shop, with input from the Executive Board, will organize tee times, pairings and scoring of the Club Championship.

Set Up:

- The competition will be played in flights based on handicaps, as of September 8, 2026, the last day of regular play.
- Tee times will be used. Once the times are set by the Pro Shop, a participant may not request a change to their time.

Day One:

- Participants will play in groups of three within their flights whenever possible.
1st flight will tee off first, followed by the 2nd flight, and then the 3rd flight.

Day Two:

- Pairings will be set up by gross scores from the first day. The 3rd flight will go first, followed by 2nd flight and then 1st flight with the 3 lowest gross scores of the field playing in the last group.

Ties:

- If there is a tie for the gross club champion, the tie will be broken with a 3-hole aggregate playoff until a winner is determined. If there is a tie after the 3-hole aggregate playoff, there will be a continuing 1-hole playoff until a winner is determined.
- If there is a tie for low net of the field, the tie will be broken with a 1-hole playoff until a winner is determined.

Payouts:

- Club Champion – Low Gross of the Field
- Low Net of the field
- Flight Winners: 1st, 2nd, and 3rd place winners, in each flight, for Gross and Net.
If there is a tie within the flight, the payout will be split.
