

TWIN LAKES VILLAGE MEN'S GOLF ASSOCIATION HOLE-IN-ONE INSURANCE POLICY

Purpose

In recognition of a long-standing tradition in golf, the Men's Club at Twin Lakes Village offers its members insurance for a hole-in-one that occurs on our home course, and the ensuing celebration(s) in our clubhouse at Twin Lakes Village. Every active Men's Club member in good standing is automatically eligible to benefit from the Men's Club Hole-In-One Insurance Policy. This policy described below supersedes any other Men's Club document that may reference a Hole-In-One.

Definition

A Hole-In-One is defined by the United States Golf Association (USGA) as an achievement in golf where a ball hit from a tee finishes directly in the cup on the first stroke of a hole. To qualify as a valid Hole-In-One, the following criteria must be met:

- The shot must be made from a standard teeing ground.
- The ball must go directly into the hole without any penalties.
- It must occur during a round of golf played under USGA rules.

Men's Club Hole-In-One Requirements

- Men's Club dues include \$5 designated for Hole-In-One insurance. Payout will happen at the Members Spring Meeting. If a Hole-In-One is made by more than one player during the season, the fund will be split equally among the players.
- Players may join the Men's Club and become eligible at any time during the season. A player's Hole-In-One eligibility starts after his club membership fee is paid.
- Hole-In-One may occur at any time during the season, i.e., during Men's League, weekend club tournaments, or during a casual round of play on Twin Lakes Village Golf Course.
- Hole-In-One must occur at Twin Lakes Village Golf Course. Members who score a Hole-In-One at any other golf course or on a golf simulator will not be recognized.
- Player must be attended and witnessed by someone acceptable to the Men's Club Executive Board.
- The shot must be made from the players assigned tee box, i.e., blue, white, gold.
- Hole-In-One must be on the first shot of a proper round of golf, without penalties.
- Player must complete a minimum of nine (9) holes, played under USGA rules.
- Player must present his scorecard into the TLV pro shop with the hole number, date, and at least two (2) signatures (player & attendee/witness).
- A publicity packet is available upon request from the pro shop to assist the player, if the player wishes to submit his hole-in-one for recognition from various media outlets and awards providers.
